EAN: 7340150710873

The A-0230 is a replacement top cover for attaching Laser Range Finders and similar devices on Spuhr® 36 mm ISMS™ mounts.

The A-0230 is manufactured from 7075 T651 aluminum and is a drop-in replacement for the original A-61 front top cover.

The A-0230 features a 105 mm/4.12" long Picatinny rail as well as Spuhr® Interfaces™ at the 45- and 90-degree positions for attaching additional accessories. The rail section has a height of 57 mm/2.24" in relation to the optical axis of the rifle scope.
